

**Federal PERKINS 'Intent to Apply' AND
State Voed Funding application combined and NOW AVAILABLE
for the 2011-2012 school year**

This year, the Office of Public Instruction has combined both the federal Carl D. Perkins 'Intent to Apply' AND the State Voed Funding application for school districts' convenience. You can apply for one or both of these funding programs using this one electronic form.

The online link to access and complete the combined Federal Perkins 'Intent to Apply' and State Funding application is now available and listed below. It is also available on the Secondary CTE web page of the OPI website.

Authorized Representatives of Local Education Agencies (LEAs) will use the attached link to access and complete the Perkins 'Intent to Apply' electronic form and the State Voed Funding application for the 2011-2012 E-Grants cycle. All public high schools and K-12 districts with qualifying Career and Technical Education (CTE) programs are eligible to apply for funding. Elementary districts are not eligible for Perkins or State Voed monies. Districts will NOT receive a 2011-2012 Perkins allocation unless this electronic form is completed and submitted online at the OPI on or before the deadline. These designations are binding and cannot be changed once allocations have been downloaded into the E-Grants system.
